PARTSMASTER

MAINTENANCE | REPAIR | OPERATING SUPPLY

Partsmaster is a specialty MRO (Maintenance, Repair and Operating Supply) company dedicated to making our customers' work easier. Our superior products are developed with a focus on increased productivity, asset longevity, safer user experience, and environmental responsibility. Partsmaster sells industrial maintenance supplies for welding, concrete repairs, specialty abrasives, fasteners and hardware, hand tools and cutting tools.

Partsmaster was established in 1968 as a division of NCH Corporation, a global leader in industrial and commercial maintenance products and services since 1919. NCH has over 8,000 employees, with offices and manufacturing plants located on five continents. NCH is relied upon by companies in over 50 countries to solve maintenance problems with the most innovative and effective products and services.

NCH GLOBAL COVERAGE

- Founded in 1919
- Family owned and operated
- \$1 Billion in sales
- 8,000 employees
- 5 continents
- 50 countries
- Extensive and varied product lines
